CRITERIA:

	E =6	AS = 5	S = 4	NI = 3	P = 2
Execution of Instructions	Executed the instructions efficiently. Followed the procedures accurately.	Followed most of the instructions. One instruction is skipped; however, it does not affect the over-all output.	The activity shows the basic HTML structure. There are two to three errors in the activity.	The activity is missing important contents due to omission of four to five instructions.	The activity is full of technical errors due to misinterpretation of all instructions.
Syntax and Content	All the contents are organized and presented in a uniform format with distinctions between major contents and supporting details.	Most contents are organized and well presented. Formatting where necessary is applied. However, one formatting requirement is missing.	The major contents are formatted; however, two to three formatting requirements are missing.	The activity contains formatting; however, four to five formatting requirements are missing.	The activity was laid out poorly. Contents are not placed in proper order. All formatting requirements are missing.

Accomplished task within the time limit.	The activity was completed before the allotted time elapsed.	The activity was completed within the given time.	The activity was not completed within the given time. A five-minute extension was given in order to complete the activity.	The activity was not completed within the given time. A ten-minute extension was given in order to complete the activity.	The activity was not completed within the given time. A fifteen-minute extension was given in order to complete the activity.
Creativity / Originality	Pre-planning and proper execution is very evident.	Applies original design in most aspect of the activity.	The activity is presented with some unique design details.	Lacks originality. Design is a duplicate of the sample.	Failed to create even the simplest design for the activity.
General Output - Format / Layout	All requirements for the activities are evident in the final output.	The activity contains one minimal inaccuracy observed; however, it did not affect the overall output.	Two to three major components of the activity are missing.	The activity is very simple and lacks effort in most areas. Four to five components of the activity are missing.	The activity has no impact at all. All major components of the activity are missing.
